No.

Sir,

I have the honor to request the formal sanction of the Dewan to open a Local Fund dispensary at Hulyar so that an Hospital Assistant may be posted to it as soon as available.

Hulyar is, in the opinion of the Deputy Commissioner, the place which most requires a dispensary of the three Sub Taluks as yet unprovided for in the Tumkur district, and with that I agree.

Sir

I have the honor to state in reply that the Municipality at Narsipur is too poor to bear its quota of the charge on account of the Dispensary. The Vice President and the Members are however of opinion that a sum of Rs 57. per month may not without inconvenience, be spared out of its Income for realizations for the purpose
